IN NO IMMEDIATE DANGER

The Hamburg-American Steamer Prinz
Joachim Met with Accident North of
Haiti and Needs Assistance as
Soon as Possible.

New York, Nov. 22.—The Hamburg-American line steamer Prinz Joachim, bound from New York for Kingston, Jamaica, was reported by wireless today to have struck on the rocks off Sanana island, two hundred miles north of Haiti. According to the wireless, she is in no immediate danger, but requires assistance as soon as possible. Among the seventy-five passengers aboard are Mr. and Mrs. William Jennings Bryan. Samana is an uninhabited rock a mile wide and eight miles long.

Wrecking tugs will be sent to the steamer from the most available seaports on the south Atlantic coast. Wireless orders have been dispatched from the local office of the company to the August Wilhelm and the Alleania of the same line, which are now in West Indian waters, telling them to hasten to the aid of the stranded steamer.

This forenoon the wireless messages from the Prinz Joachim stated that the passengers were calm and that the steamer was resting easily about a mile off shore; but the situation was apparently changed when the following was sent:

"We are now taking in water. Everything ready to abandon the ship. Cable for help. In no danger."

This wireless was received here this afternoon.

223 UNREPENTANT
SUFFRAGETTES IN COURTMost of Them Preferred to Go to Prison
Rather Than to Pay the Fines
Imposed by Court.

London, Nov. 22.—Two hundred and twenty-three unrepentant suffragettes, many of whom were apparently still in their teens, appeared in police court today to answer for their acts of yesterday and were sentenced to fines or alternative terms in prison, varying from a fortnight to a month. The women invariably chose prison.

From the evidence it was quite certain that the suffragettes acted on a complete plan of campaign. While stones and other missiles were hurled, shouts of "Votes for women" were raised. They had threatened to force their way into the House of Commons and make a protest on the floor of the House against the prime minister's refusal to pledge the government to a bill giving equal suffrage to both sexes, but they failed even to reach the entrance to Parliament.

Thwarted by the police, who made 223 arrests, the suffragettes resorted to a campaign of window smashing. Driven from Parliament square by the police, 1,800 of whom were on duty, the women, accompanied by sympathizers and gangs of rowdies, proceeded through Whitehall armed with bags of stones concealed under their coats, and broke the windows in the public offices, the Liberal headquarters and the National Liberal club. They even extended their operations to the Strand, where windows of the post-office, bank and other private concerns suffered from the onslaught.

The militant tactics of the suffragettes followed a statement by Premier Asquith that the government was unable to introduce a bill to enfranchise women, as the cabinet was divided on the question, but would allow an amendment to be introduced to the House of Commons to decide whether women should be given a vote.

SHOT IN SELF-DEFENSE.

Chorus Girls, Who Fired at W. E. D.
Stokes, On Trial To-day.

New York, Nov. 22.—The chorus girls, Ethel Conrad and Lillian Graham, who shot William E. D. Stokes, the millionaire horseman and hotel magnate, in the legs last June, when Stokes called at the Graham girls' apartment to obtain letters he had written Miss Graham, which he was anxious to get back, was brought to trial today. The girls, who are charged with attempted murder, assert that they shot Stokes in self-defense.

TEACHER ON STAND.

Victim of Famous "Tar Party" Recites
Her Experiences.

Lincoln City, Kas., Nov. 22.—Mary Chamberlain, the Shady Bend school teacher, facing Edward Ricord, her deceiver, and three other men charged with complicity in the attack upon her, took the stand yesterday afternoon and began the recital of her experience on the lonely roadway on the night of the now famous "tar party."

The court room was crowded yesterday at the second session of the trial of Sherrill Clark, A. N. Simms and John Schmidt, charged with complicity in the tarring. The possibility of Miss Chamberlain taking the stand attracted visitors to court from 30 miles around.

The testimony Monday of Edward Ricord, the barber who deceived the school teacher, R. Chester Anderson and Delbert Kinsler, charged with complicity in the tarring, was the county's disgrace. Miss Chamberlain, who Monday sat through the trial with no sign of emotion, was at the court room early yesterday, dressed in black.

Edward Ricord resumed the stand yesterday. Prosecutor McAnless said Miss Chamberlain probably would take the stand as soon as Ricord had finished his story.

An attempt of J. J. McCurdy of the defense to question Ricord regarding his previous acquaintance with Miss Chamberlain was stopped by an objection by the state.

COMPROMISE ON
HEAD OF GRANGEOliver H. Wilson of Illinois is National
Master—Regulars Unable to Elect
Their Candidate.

Columbus, O., Nov. 22.—Oliver H. Wilson of Peoria, former master of the Illinois state grange, yesterday was chosen master of the national grange over George R. Bennett of Michigan, by a vote of 39 to 14. He was chosen as a compromise between C. N. Freeman of Tippecanoe, Ind., the candidate of the so-called regulars, and George R. Horton, candidate of the insurgents.

The regulars were able to muster but 23 votes for Freeman, and it required 20 to elect. They at once swung their entire strength to Wilson as a harmony candidate.

E. H. Healey, state master of Woodstock, Conn., elected national orator, and N. P. Hull, state master of Diamond Lake, Mich., was chosen national lecturer.

C. M. Freeman of Ohio was elected secretary; C. F. Smith of Vermont was elected chaplain, and Mrs. C. F. Smith was elected lady assistant steward.

The grange went on record as opposing a national policy of free trade for farm products.

Congress was denounced for prostration in enacting legislation in aid of good roads, postal reform and tariff reduction.

GIRL'S NECK BROKEN.

Vera Patten of Pantown Was Pinned
Down by Heavy Weight.

Pantown, Nov. 22.—A shocking and fatal accident occurred here Monday afternoon when little Vera Patten met an untimely death. Vera, the youngest child of Mrs. Wesley Jackson, went home from school with Bessie Stagg and they immediately went to the barn to play. As they were frolicking about a hay rigging, which was leaning against the barn, it suddenly slipped to the floor, pinning both children under it. The screams of the little Stagg girl brought her father and brother, who soon released them, and the Patten girl, being unconscious, was taken to the house. Her father and mother were quickly summoned and also Dr. Waterman of Vergennes, but the child lived only a few minutes after the accident. On examination it was found that her neck was broken as the result of coming in contact with a bolt that struck her in the forehead as the rigging fell. She was a bright, pretty child. She leaves a mother, a step-father and a brother and sister. The funeral will be held at the house Thursday morning at ten o'clock with burial at Vergennes.

GIRL HAS GOOD FORTUNE.

Waitress in Rutland Hotel to Get All of
Clarendon Man's Property.

Rutland, Nov. 22.—Miss Sophia A. Gerry, aged 23 years, a waitress at the hotel Berwick in this city, who has been obliged to support herself since she was a little child, is placed in a position where she will not give little thought to the future, as the result of her adoption by Marcus R. Russell of Clarendon, a childless widower, 73 years old.

Born in Germany, she became an orphan in Nova Scotia at the age of eight. For a short time friends looked after her and she went with them to Boston, but she was soon thrown on her own resources and worked here and there, mostly in hotels. While at Bellevue Falls, three years ago, she met a Rutland man, who secured her work at the Berwick. Her acquaintance with Mr. Russell began at the house of a friend where both visited. She has changed her name to Sophia A. Russell and assumed her new duties as housekeeper for her foster-father, who owns a large farm in Clarendon and one in Whitehall, N. Y., to which she is sole heir.

CAPTURED AFTER FIGHT

Alleged Highwayman, Who Stopped Auto-
mobile in Boston.

Boston, Nov. 22.—An alleged highwayman, who held up an automobile in Jamaica Plain late last night, gave an exciting battle to two men and a policeman before he could be arrested. Henry A. Heath, 20 years old, of Roxbury, was locked up on the charge of attempted robbery. It is charged that he held up the automobile containing Stephen R. Codman, his wife, daughter and chauffeur, of the Back Bay. The chauffeur, George W. Chandler, grappled with the man and was aided by Mr. Codman. In the meantime the screams of the women had attracted Patrolman Patrick Cullen. All three men had a hard fight to capture the man, Chandler receiving several bad scalp wounds and the officer having his uniform ripped.

TEMPORARY ELEVATOR FELL.

Two Men Killed and Four Hurt at
Springfield, Mass.

Springfield, Mass., Nov. 22.—Two men were killed and four were injured when a temporary elevator used in construction work on the outside of a new addition to the Fiske Rubber company's plant at Chicopee Falls fell thirty feet yesterday. The men, who were all foreign laborers, employed by a contracting company of this city, were rushed to the Springfield hospital, where two of them died.

THE DEAD:

TONY BANUZO.

BABLE.

THE INJURED:

ZENE PANUSINO, scalp wound.

PASQUALE DAFARINO, fracture of left foot and knee cap.

EDMUND FLEURY, fracture of left foot.

ANGELO DECARLO, fractured ribs and bruises.

All the injured, it is believed, will recover.

The elevator was rigged in the scaffolding on the outside of the building and was used to carry supplies. The men had been warned to keep off, but it is said that these six men boarded the elevator at the top of the building and started to the ground. Within thirty feet of the ground the cables broke and the men shot downward with no chance to grab the surrounding timbers. Bable and Danusso were unconscious when picked up. All were hurried to the Springfield hospital, where two died within a short time.

YOUNG GIRL MURDERED.

Suspect Is Young Man Whose Love She
Had Spurned.

Waltham, Mass., Nov. 22.—The rejection of a proposal of marriage is held by the police to have been the cause for the murder and shooting last night of Miss Giovannina Metoli, a 17-year-old mill worker. The girl was sitting at the supper table at the home of her sister on Oak street, when suddenly the door behind her was pushed open, two shots rang out and the girl sank to the floor with a bullet in the head. She died an hour later.

The police immediately began a search for Dominic Beninatti, aged 22, of Spring street, also a mill worker, who had been paying attention to Miss Metoli, and whose love for her and offer of marriage had been recently spurned.

Arthur Bosworth on Trial on Charge of
Murder.

Burlington, Nov. 22.—The incoherent yells of Arthur Bosworth created a sensation yesterday during his trial in the Chittenden county court on the charge of murdering his sweetheart, Miss Mae Labelle, at the Essex Junction railroad station on June 7 last.

Bosworth's defense is insanity, and when his keeper at the Waterbury insane asylum, where the prisoner was under surveillance after his arrest, took the stand, Bosworth jumped to his feet and for a few moments his shouts stopped the court proceedings. He was quieted without difficulty.

HOPE TO HAVE GYMNASIUM.

Citizens Got Together Last Evening and
Talked It Over.

The project of erecting and equipping a municipal gymnasium for the use of men and boys in this city, which a good many public-spirited citizens have long cherished, received a new impetus last night, when some twenty-five representative business and professional men, as well as the pastors of the several churches, gathered in the vestry of the Universalist church to discuss plans for carrying out this commendable idea. The gathering was entirely of an informal nature, and the action taken as a result of the meeting had to do only with tentative plans, which may, however, with proper support and encouragement, become very tangible in the near future.

Dr. C. F. Camp, acting as chairman, called the gathering to order at 8 o'clock and Rev. E. C. Downey, pastor of the Universalist church, outlined briefly a rough plan for the building and its maintenance, subject to whatever suggestions in the way of changes or improvements the others might see fit to make. Mr. Downey said there is a crying need for a gymnasium in Barre. Different contractors about the city had placed rough estimates on his idea of a brick building, the dimensions of which might be 40x100 feet, with equipment, including shower baths, lockers, etc. Another plan for a smaller structure to be erected of wood had been estimated at a smaller expenditure. Some believe, according to the speaker, that it was within the province of the city to furnish funds for such an object.

The speaker emphasized the fact that the gymnasium contemplated would be entirely non-sectarian in character and that no hard and fast rules as to membership would be formed. Added suggestions, methods for securing funds, the manner of maintaining and a plan of government for the gymnasium were among the different phases of the project considered in the remarks which followed. It was suggested that a governing board chosen from the churches would work to the advantage of the institution, not because it would be conducted in connection with the work of the churches, but rather for the reason that all churches have always evinced a keen interest in the physical welfare of men as well as their moral betterment. A public gymnasium, with a public shower bath attached, a spacious floor for basketball and other indoor sports, and the added utility of a reading room with well selected literature at the disposal of old and young alike, a place of recreation, centrally located, where the tired business man could obtain needed exercise, and above all, a place where out-of-town school students and young people, who have no other resource but to the street for amusement could seek diversion were among the benefits to be derived by concerted action, as outlined by the various speakers.

Among those who made remarks during the evening were: Attorney M. M. Gordon, Principal O. D. Mathewson, Rev. J. W. Barnett, pastor of the Congregational church, Rev. P. M. McKenna, pastor of St. Monica's church, Rev. W. J. M. Beattie, pastor of the church of the Good Shepherd, H. G. Woodruff, John Booth and L. R. Hutchinson.

It was the unanimous sentiment of the meeting that a committee be appointed to investigate the feasibility of constructing the project at once along a well defined plan, which is to suggest itself to the members in their investigations. The cost of constructing a suitable building, its equipment, the procuring of a desirable site, and the best method of maintaining the institution are among the things which the committee will include in its report to be given at a similar meeting called for December 6, of the place to be decided by the members. The following members were nominated to constitute the committee: M. M. Gordon, Rev. E. C. Downey, H. G. Woodruff, Dr. Joe W. Jackson, A. B. Lane, Rev. P. M. McKenna and L. R. Hutchinson. Lunch was served following adjournment.

AUTO SPEEDER FINED.

Cost Harold Shaffner \$40 in Brattleboro
Yesterday.

Brattleboro, Nov. 22.—Judge William R. Daley in municipal court yesterday afternoon imposed a fine of \$40 and costs of \$26.53 upon Harold Shaffner, the 18-year-old chauffeur, who ran his car at a high rate of speed into a dump cart driven by Henry Goddard in this town on September 20 last and throwing Goddard to the ground, injured him so seriously that it was necessary for him to undergo an operation at the Memorial hospital the following day.

The accident was the result of a joy ride indulged in by William S. Fleming, the owner of the light touring car, and Shaffner, a friend, who was running the machine. State's Attorney Frank E. Barber appeared for the state and insisted that more than a nominal fine be imposed. There is still a charge of assault upon Shaffner and he is held in \$1,500 bonds. Should Goddard die from his injuries within a year from the date of the accident, the charge against Shaffner would be changed to manslaughter.

Goddard is in a very feeble condition though he appeared in court and told of the accident. A. F. Shwenk appeared for Shaffner and urged that the second case be discontinued but the state's attorney decided to keep it on the docket until the condition of Mr. Goddard changed for the better.

THREATENED

Give You Something"

HE BECAME VIOLENT AGAIN

When Attorney-General Swift Smiled at
Him, Prisoner Jumped to His Feet,
Swearing and Cursing at the
Man Who Smiled.

Springfield, Mass., Nov. 22.—Bertram G. Spencer, charged with murdering Martha B. Blackstone, indulged in another outburst of violence in the court room today, Attorney-General Swift being the special object of his wrath. The attorney-general was cross examining Dr. Edward Lane, an alienist for the defense, when Spencer shouted:

"I'll give you something."

Attorney-General Swift smiled at the prisoner. The smile seemed to frenzy Spencer. He jumped to his feet, swearing and cursing at the attorney-general, but was soon overpowered.

Dr. Lane late yesterday afternoon made the first definite statement that Spencer was insane at the time Miss Blackstone was shot and killed. Dr. Lane declared that after two thorough examinations of Spencer, one made nearly a year after the other and consideration of the case of the prisoner from his boyhood until the time of the murder, he had arrived at the conclusion that Spencer is insane, and that as a result his actions were involuntary.

Rev. Eugene B. Smith, of Lebanon, Conn., pastor of the church attended by the Spencer family, testified that in the course of one of several visits he paid the defendant at the state insane asylum at Bridgewater, Dr. Alfred Elliott, medical director of the asylum, told him in the course of a conversation that Spencer had a form of paranoïa-insanity in which the acts are systematized. The minister said that he asked the doctor "I suppose this is incurable" and that the physician replied "Absolutely."

The Rev. Mr. Smith went on further to say that Dr. Elliott declared that he would regret very much to have to send Spencer back to Springfield for trial. The Rev. Mr. Smith testified that Spencer appeared nervous and emotional when he visited him.

Manslaughter in Death of Mrs. Frank
Hawes, Who Was Thrown From
Wagon by His Automobile.

Guilford, Nov. 22.—The case of the state of Vermont against Frank Heath of Canaan will not be tried at this time of the Essex county court. Heath was indicted by the grand jury on a charge of manslaughter as a result of an automobile accident in which he ran into a wagon driven by Mrs. Frank Hawes and two children, throwing Mrs. Hawes out and inflicting serious injuries, which, it is alleged, caused her death some five weeks later.

This case makes the 13th homicide case that High Sheriff Richard Beattie has had to do with since December, 1902. Previous to that time there had been only one such case in the history of the county.

A discontinuance was announced in the case of John McMahon vs. City of Montpelier. A bill was granted to-day to Lucy Anstey from John Anstey, and rights in real estate at St. Albans were decreed the petitioner. The divorce case of Clifton O'Clair vs. Blanche L. Preferred Against St. Albans Sausage
Maker.

BANQUET TO VISITOR.

A. O. H. and Ladies' Auxiliaries Entertained
National Vice President.

Mrs. Mary McCarthy of Westfield, Mass., national vice president of the Ladies' Auxiliary to the Ancient Order of Hibernians, made her first official visit to Barre last evening, when the ladies of the local division united with the members of the Ancient Order of Hibernians of this city, Hibernians and members of the ladies' auxiliaries of Montpelier and Granville to make the occasion an auspicious one in the history of the combined orders in Barre. The exercises opened at 8 o'clock with an elaborate banquet served in the Knights of Columbus hall by the local auxiliary. Rev. A. C. Griffin, curate of St. Monica's church, offered prayer and an excellent feast followed.

A short program of meritorious musical numbers led up to the principal feature of the evening, the address by Mrs. McCarthy. Among those who participated in the musical were Rev. Father Griffin, who gave a rendering of "Ave Maria," which called for an enthusiastic encore. Father Griffin was accompanied on the piano by Miss Beatrice Callahan. James Riley playing a violin obligato. Daniel McGovern of the Montpelier division, A. O. H., made a few remarks appropriate to the occasion. Mr. McGovern's remarks concerned chiefly the work of the state organization, of which he is the vice president. Other members of the company furnished piano solos during the evening.

The address of the visiting vice president had to do largely with the important mission which the Ancient Order of Hibernians, and particularly the ladies' auxiliary, is performing among the Irish people throughout the country. She extolled the virtues of exemplary Irishmen in America as well as in other parts of the globe. In touching upon the present healthy growth of the auxiliary, the speaker placed special emphasis upon the necessity of first completing the moral obligations for which the organization stands before attempting to perfect its social duties in the community. Mrs. McCarthy spoke for over thirty minutes and during that time she held the closest attention of her listeners. Her remarks were roundly applauded at the close.

The occasion of the first vice president's visit was brought to a delightful ending by an impromptu dance, which continued until near midnight. Riley's orchestra furnished splendid music for this feature, and a more enjoyable finish to the get-together meeting of the Barre, Granville and Montpelier divisions could not have been selected. Credit for the notable success of the reception to Mrs. McCarthy is largely due to the efforts of the Barre Ladies' Auxiliary, the members of which united in working unceasingly to make the gathering as representative as possible.

THE BAND FAIR.

Fine Entertainment Was Provided Last
Evening and Was Enjoyed.

Attendance at the band fair in Howland hall last evening was fully up to the anticipations of the committee and the reputation will be easily upheld this week if the entertainment provided last evening is any criterion of the program and entertainment planned for the nights to come. A large crowd was on hand to enjoy the song and dance, "Alexander's Ragtime Band" by eight girls, the "Alpine Duo" by John Spera and Frank Masi, and the comic operetta, "The Auctioneer," in which the Misses Patterson and Wood appeared. James Sim and Mr. Edward appeared to the enjoyment of the audience. The holding music chorus brought the program to a close and their tuneful contributions caused the keenest pleasure.

To-night the special feature will be the Clan Gordon minstrels, which made such a hit in the recent clan fair. Tomorrow night, by request, "The Auctioneer" will be repeated by the quartette appearing last evening. The various booths erected for the fair have met with a good measure of patronage and the receipts thereof will doubtless augment the final proceeds of the fair considerably. In addition to the list of those in charge of the booths, etc., printed Tuesday, is the name of Mrs. Alex. Bruce, who generously consented to have the oversight of the kitchen during the week.

FORMERLY LIVED IN BARRE.

Martin Andrews Died in Salem and Was
Buried Here.

Funeral services were held at the B. W. Hooker & Co. undertaking rooms at 2 this afternoon for Martin Andrews, who died in Salem, Mass., last Saturday. Services were held in Salem yesterday and the body was brought to Barre this morning. At the services this afternoon, Rev. J. W. Barnett officiated. The interment was in the family lot in Elmwood cemetery.

Martin Andrews was born in Berlin 86 years ago and was the son of Asa Andrews. He grew up on the farm and was a farmer by occupation. He married Miss Caroline M. Ellis of Berlin and purchased a farm on the west hill in Barre town, where he continued to live until 1875, when he sold out and moved to Barre village, building what was known as the "Avenue house" back of F. T. Cutler's present residence on North Main street. About five years later he moved to Massachusetts and for the past 17 years had made his home with Mr. and Mrs. C. A. Ketchum in Salem. Mrs. Andrews died about 20 years ago. He is survived by three children, Mrs. Carrie Ketchum of Salem, Ellis Andrews of Salem and Mrs. Rose Merrill of Groveland, Mass. All three were born in Barre.

GIVE UNANIMOUS CALL.

Presbyterians Want Rev. Duncan Sal-
mond as Pastor.

At a meeting of the Presbyterian church members and adherents last night it was unanimously decided to extend a call to Rev. Duncan Salmond of Antrim, N. H., to become pastor of the Barre church. There was a large attendance at the meeting, which was presided over by Rev. Dr. Brown of Hyde Park, Mass.

Rev. Mr. Salmond has given the church people here reason to believe his acceptance possible, and should it become a fact, he will probably commence his duties about the first of next year. He preached in Barre one Sunday, being called to his home by the death of an elder in his church before the second Sunday, when he had an appointment to preach here. Mr. Salmond has been pastor of the church at Antrim four years.

CITY CAUTIOUS
ABOUT HAZARDSPlaces Restriction on Papin
Bros.' Building Permit

LAYS "ANOTHER" ON TABLE

Council Last Night Held Up R. L. Clark's
Application Till More Definite De-
tails of Proposed Building
Are Given.

That the city intends to be careful about permitting fire hazards to develop in Barre was evident at the meeting of the city council last night when several matters relating to building permits and gasoline tank permits came up for consideration, one of the former being restricted and another laid on the table.

Building Inspector Field reported adversely on the application of J. B. Sanguinetti to build an addition to Papin Bros.' stable on North Main street, because the location is in the fire district and the specifications were for a two-story structure of wood. The council, however, voted to grant a permit under certain restrictions, including the stipulation that it be covered with tin or iron and that the chimney be built from the ground. The various members reported that they had inspected the location, as had Chief Gladding of the fire department, and they considered the changes proposed would lessen the hazard as the stove and pipes would be taken out of the present stable and be placed in the new annex.

The building inspector reported favorably on John Cleary's application to raise a store building on North Main street one foot and put in cement foundation; and the permit was granted.

An application from R. L. Clark to
